Subject : Proposal to establish IKS Activities Centre (IKS Club) in Your College / Institution

Namaste...

Greetings from Bhisma School of Indian Knowledge System Pune.

You may be quite aware, **UGC and Ministry of Education including AICTE** have started focussing on Indian Knowledge Systems (IKS) related academic activities in all the UG & PG colleges (UGC's IKS Guidelines Circular is attached herewith for your perusal). **NAAC's 2024** Binary Accreditation parameters are insisting on IKS related activities in academia, Colleges and Universities. Now every student in Under Graduate, Post Graduate and Research courses is required to acquire **minimum 5% credits from IKS sector**. As per UGC's Curriculum & Credit Framework, this is equivalent to 75 hours of teaching IKS subjects in every semester.

You will agree to the fact that, running IKS courses to the satisfaction level of UGC, NEP and NAAC require a large number of resource within college. Few of them are employment of doctorate level professors, a library equipped with authentic & scholarly texts, IKS-relevant knowhow to conduct IKS workshops etc. The colleges would need a helping hand from a well equipped entity having expertise in the field of IKS. Hence, this proposal from **Bhisma School of IKS**, for you to **to establish IKS Activities Centre (Bhisma IKS Club) in Your College / Institution**.

Bhisma School of Indian Knowledge Systems is the pioneer Institute in the field of IKS, and having recognition from The Central Sanskrit University, New Delhi. We have developed IKS as our domain competency and teaching expertise. Bhisma school is a National Coordinating Centre for Bhisma Sanatan Vedic Hindu University Arizona, USA. It is accredited globally by IACDSC, USA. We have been running Foundation courses, Credit Courses, Certificate courses, Diploma courses, Associate programs, Masters programs as well as varieties of webinars & workshops in the field of IKS. To design & run these courses, Bhisma has engaged a fleet of renowned doctorate level teachers and we have also created scholarly study material for all IKS subjects using authentic ancient texts.

One of the means to initiate IKS activities will be to establish **IKS Club** in your college / institute. It will work as the centre of IKS related activities within your college. The students, faculty and your organisation will be benefited with this centre and it will help to comply the requirements of the UGC, NAAC, AICTE and Ministry of Education. Bhishma School will establish IKS Club in your college / institute.

Some salient deliverables of IKS Club will be:

- 1) Foundation / Awareness programs for teachers & students,
- 2) Faculty Development Program
- 3) Online lectures on IKS once a fortnight.
- 4) One Offline lecture per quarter.
- 5) IKS related academic activity once in a half year like essay writing, oratory competition, IKS literature show, etc.
- 6) Arranging State, National, International level IKS conferences.
- 7) Helping to develop IKS workshops, courses, IKS activities etc.
- 8) Heritage – Cultural – IKS tours.
- 9) Digital Content Development for IKS.
- 10) Any other IKS related activities as per mutual consent and understanding.

We are sure that IKS Club will be a vibrant activity for your college / Institution. It will be added feature and flavour in the profile of your organisation.

We will be happy to hear from you soon regarding this innovative proposal.

Kindly contact Prof. Jitendra Godbole (Chief Coordinator - Bhishma IKS club) +91 9028389369 Email - iksclub@bhishmaiks.org to discuss the action plan to proceed further.

Thanking you with best wishes.

Yours faithfully

Prof. Kshitij Patukale, Founder - Bhishma School of IKS
